JP Docs Jackie Three Bars- Sarge is a 16.1 hand eight year old red dun gelding with lots of bottom. He has a good long trot and can make the outside circle in a hurry if you need to. He has done every aspect of ranch work from doctoring outside to dragging calves at branding. Started heading steers in the arena on him and he runs to cattle and rates well. Watches cattle and handles good, real athletic for his size. Good foot and bone on him and he'll hold up well in anybodies string.
