JP Docs Boon Parr (Cricket) 2012 Grey filly.

Cricket is an exceptional young mare that comes out of one of our best producing Zan Partender mares. Super nice disposition and a quick learner. She has been used gathering, sorting, and pairing out on the ranch. Drug calves at branding and doctored on her outside. Cricket takes everything in stride. She shows a lot of cow sense and has a good stop. Started breakaway roping and roping the heel-o-matic on her in the arena. She has never offered to buck and has sat for more than six months. Cricket has potential as a rope horse, she is already a good ranch horse and would make an excellent broodmare. She will be offered for sale at 2016 Real Ranch Horse Invitational Sale in Billings, Montana, where she will be shown in ranch horse competition.
