JP PERRY SAGEY 2013 Grey Gelding (Max)

Max is a gentle disposition, friendly young gelding. He has a nice long smooth stride that is easy to ride. He has been used checking fence and moving cattle outside. He stops and turns really well with a cow. We have roped lightly off him in the arena. He is a horse that takes everything in stride and doesn't get overly excited about anything. Max is a deep body individual that will have some size to him.
